MR. EDWARD AURAND

DEDICATION

**MRS. MARLENE
GEFTER**

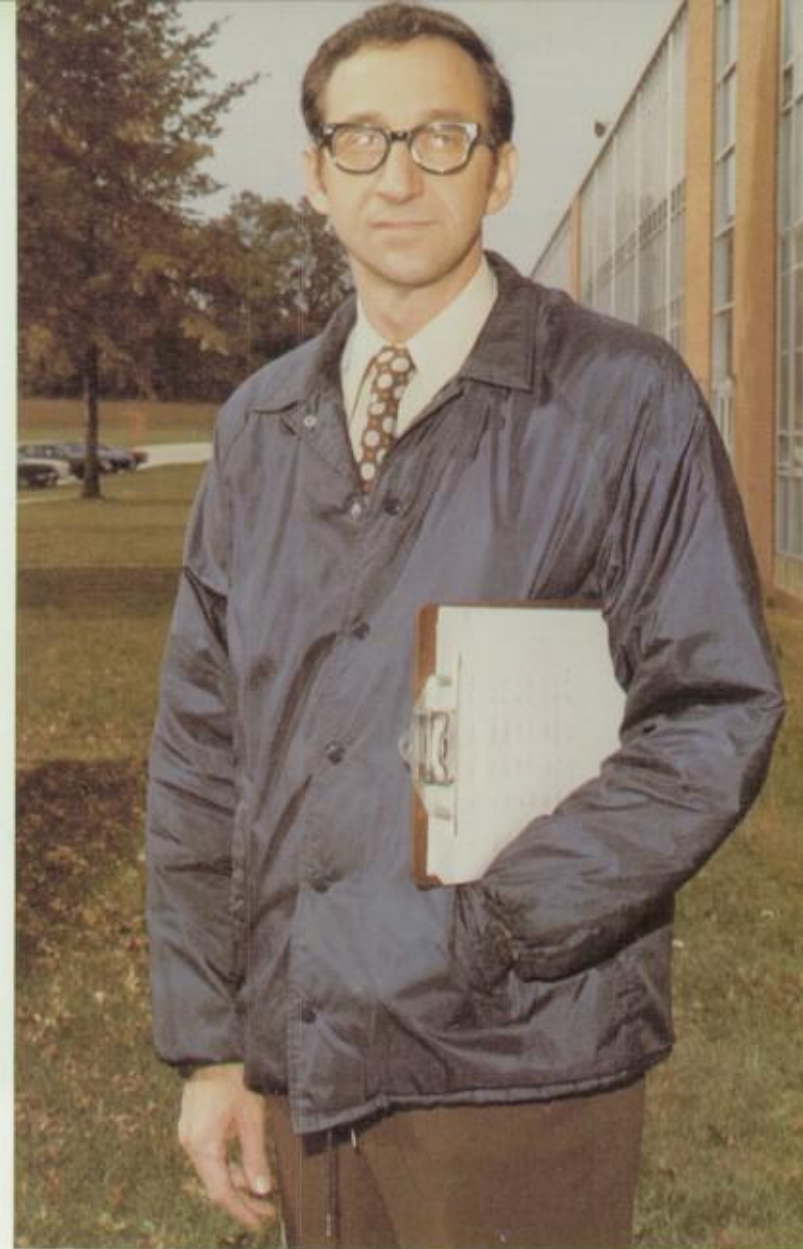

This year Phoenix '76 is dedicated to Mrs. Marlene Gefter and Mr. Edward Aurand. These two individuals have given much of their time to the students of P.A.H.S. We think that they deserve thanks for all that they have done for Phoenix High.

Mrs. Marlene Gefter is the advisor for the class of '77. She has also devoted many hours of her time after school helping students to understand more fully various aspects of mathematics. Math students enjoy having class with Mrs. Gefter.

Mr. Edward Aurand is the school's athletic director. Aside from being an interesting and well-liked biology teacher, Mr. Aurand spends much of his time insuring a successful athletic program for our student body. He does his best to see that Phoenix athletes are always among the best in the Chesmont League. With a teacher like Mr. Aurand around, a student always has a friend.

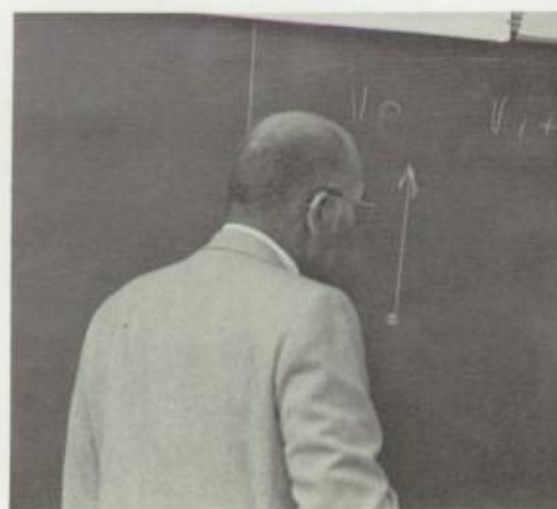

No! I won't dress up like Betsy Ross for Halloween!

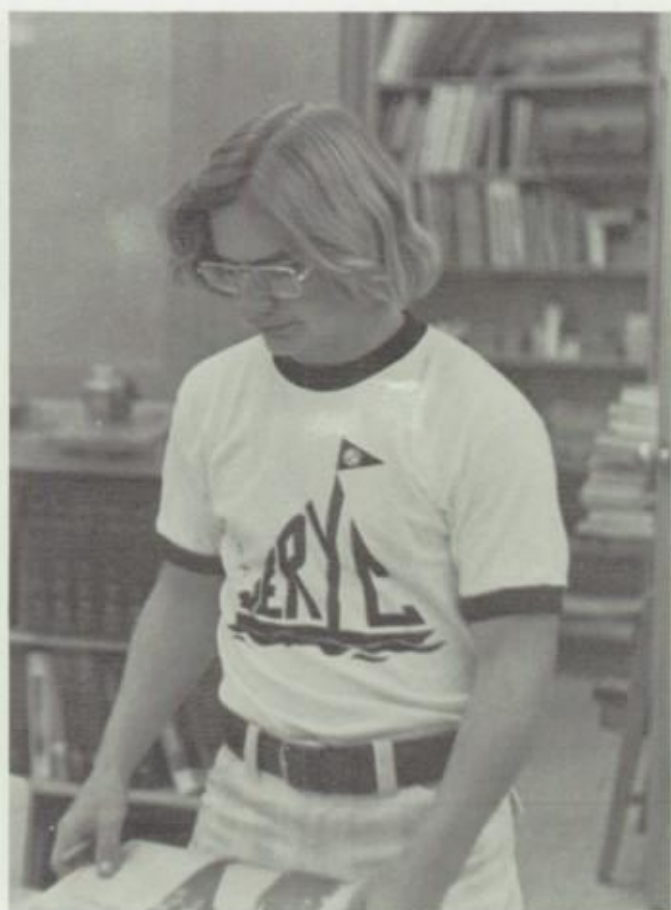

Sure on my left, Dial on my right ... it works!

Why won't this flag-pole play?

I wish my spirits felt like that today!

"Oh yeah? Just **try** and take my picture!"

These library aides are so messy!

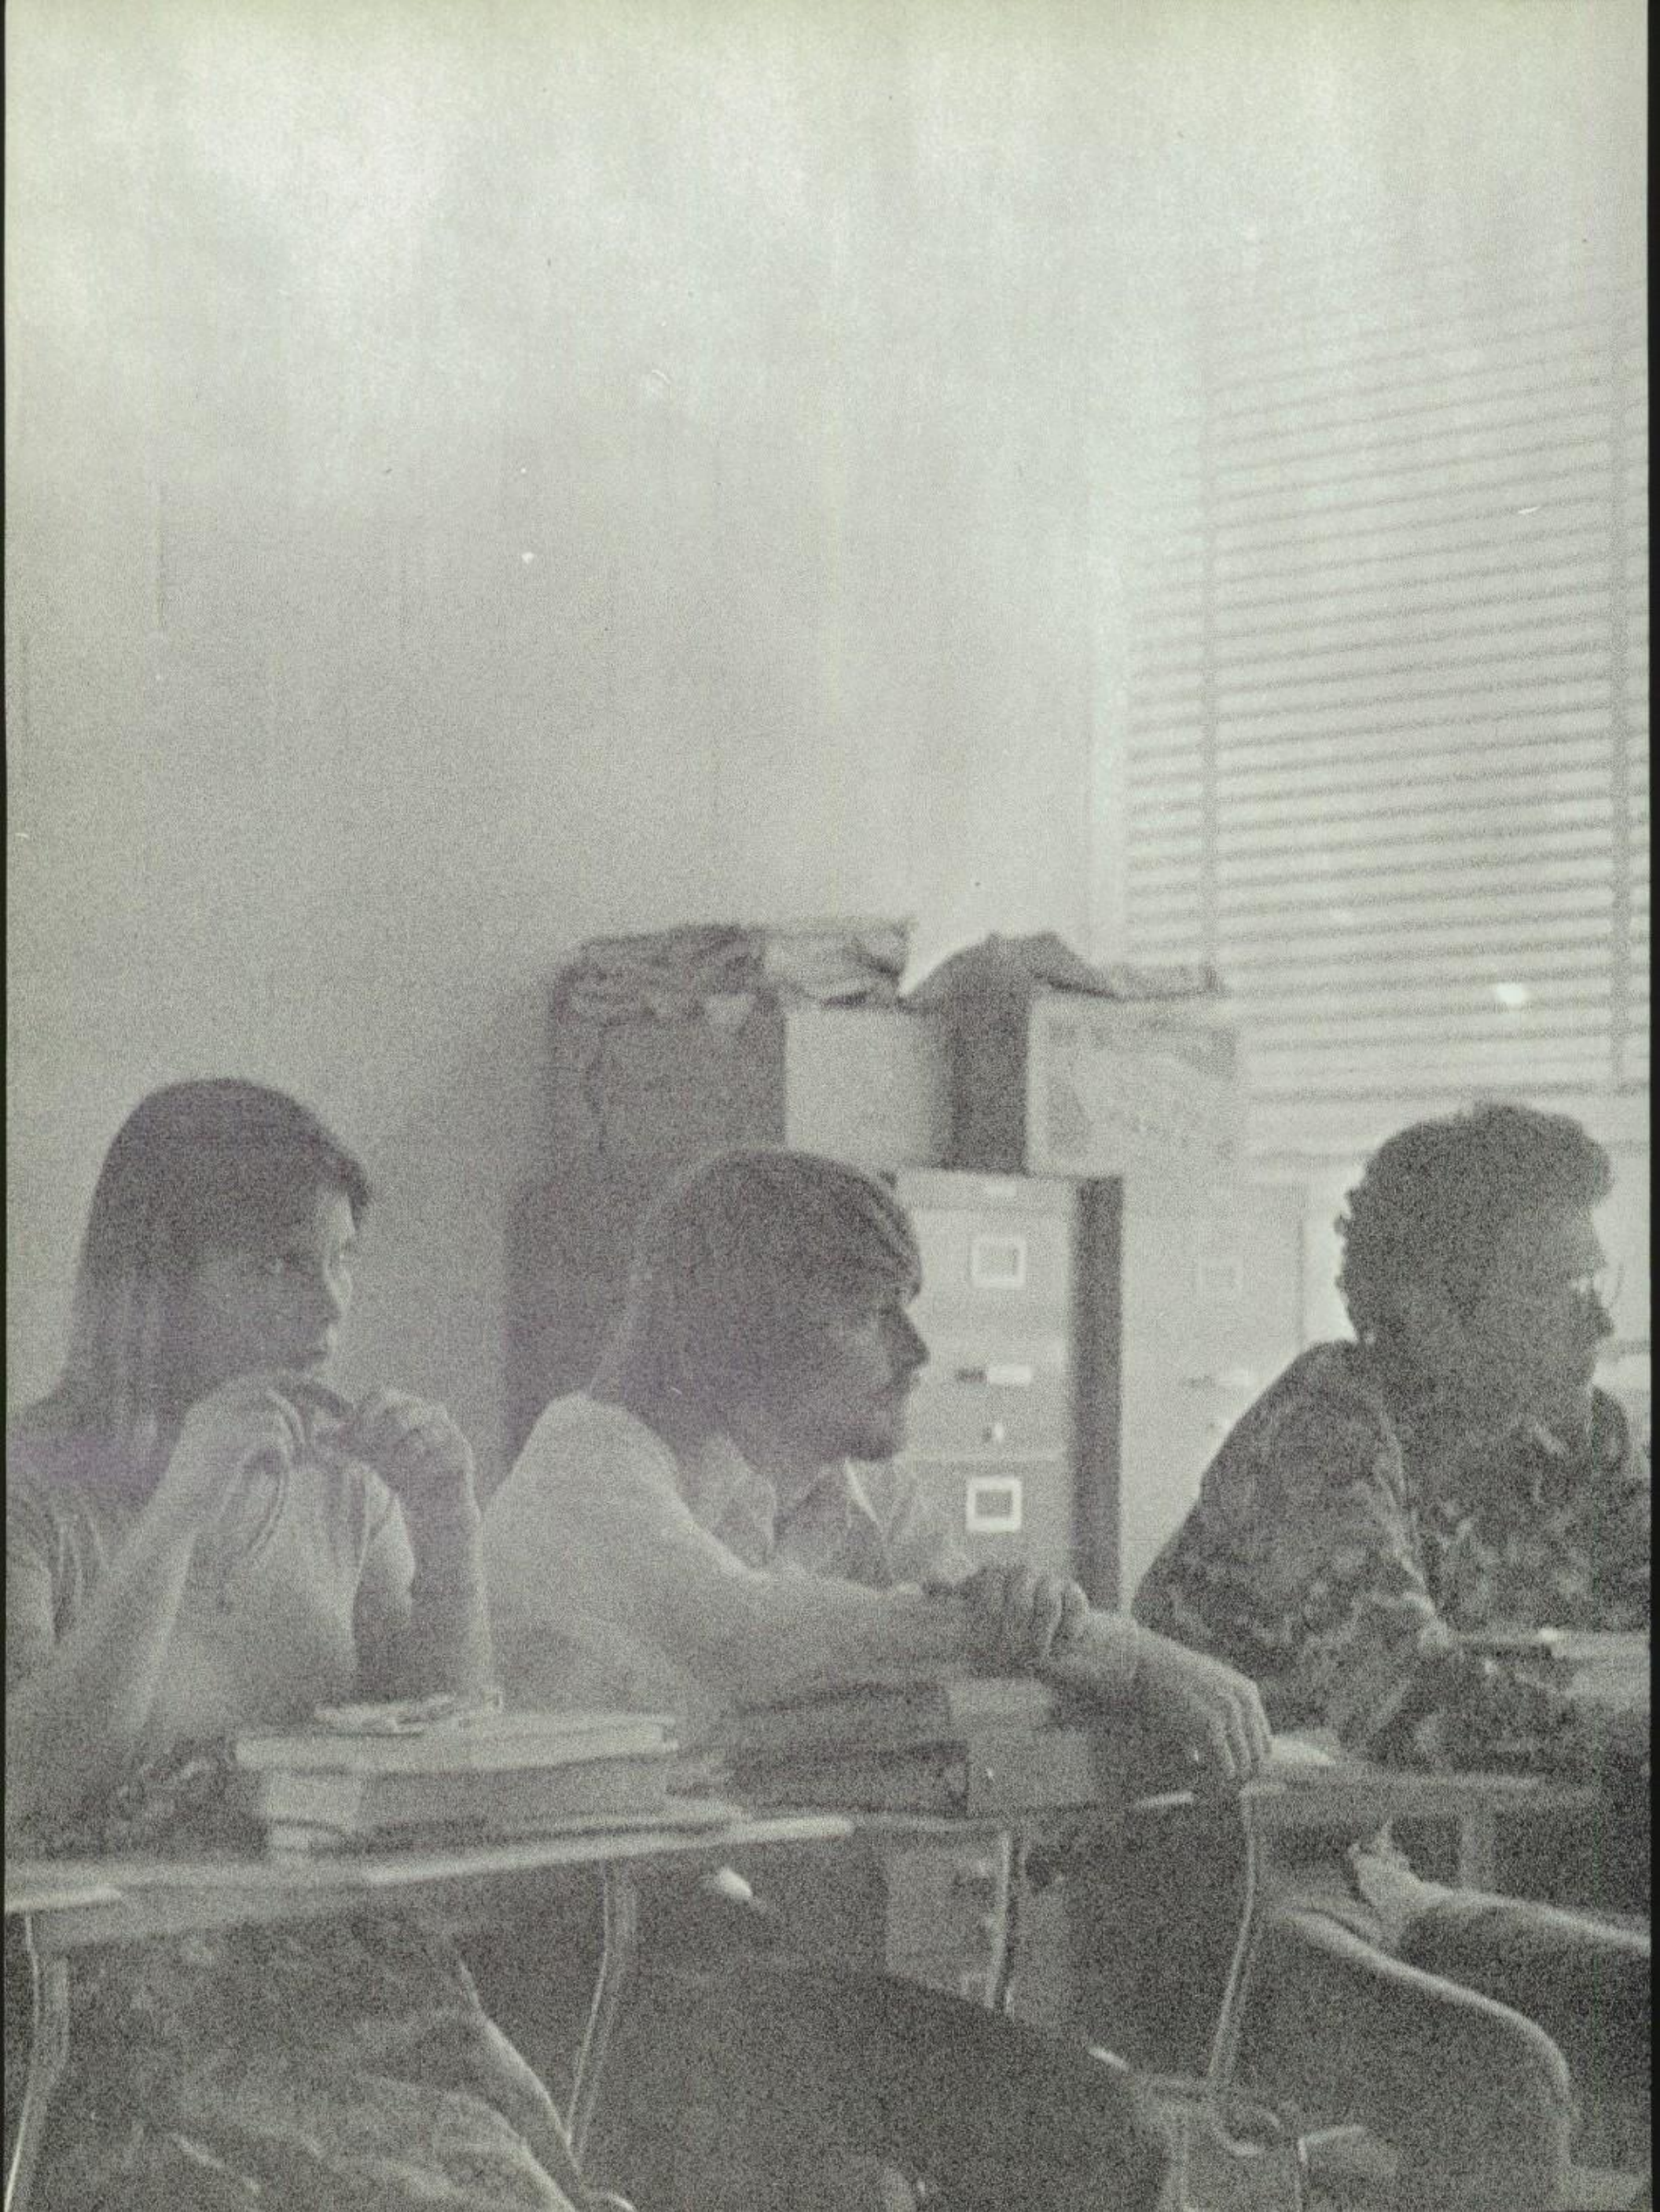

Teachers sure can keep ya busy!

Whadya mean, "Bite your tongue?"

The watch is nice, but it can't hide dishpan hands!

*Yesterday is not ours to recover, but tomorrow
is ours to win or to lose.*

Lyndon B. Johnson

SENIORS

Senior Class Officers: TOP TO BOTTOM — Becky Davis, Treasurer; Debbie Dougherty, Secretary; Sue Carroll, President; Ro Shvak, Vice President.

SENIOR CLASS HISTORY

We entered PAHS in September 1973 with the teachers on strike. Under the leadership of Class President Tim McAvoy, the class had a successful candle sale, took third place in Hall Decorations for Homecoming, and a second place in the Mardi Gras. Homecoming court representatives were Marlene Walters and Vickie Stollsteimer.

A year later, as juniors, and once again with Tim McAvoy as class president, we gave a fantastic prom for the Class of '75, with the theme, "The Long and Winding Road." Homecoming court members then were Jeanne Matz and Tina Brignola.

When we entered PAHS for our third and final year, we attended classes for eight days and then another strike occurred. With Susette Carroll as class president, the class raised money by selling candles and stadium cushions. Homecoming court representatives were Marlene Walters and Tina Brignola, with Jeanne Matz as our queen.

We wish to thank Mrs. Good and Mrs. Mendenhall, our class advisors, for their help in making our three years a success.

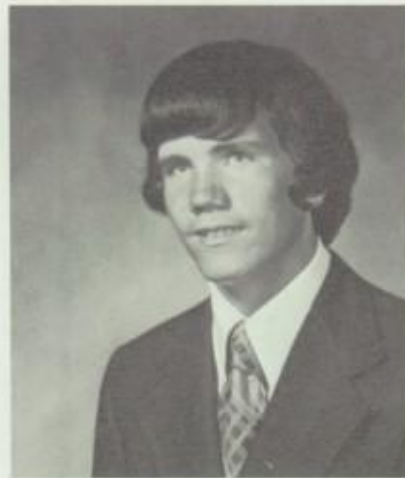

Senior Class Council: FIRST ROW — Debbie Dougherty, Cindy Dotterer, Judy Weand, Mari Bonik, Booker Barr, June Gavin and Jim Sakal. SECOND ROW — Becky Davis and Tim Moore. THIRD ROW — Karen Raymond, Ron Reed, Sue Wickstrom, Ellen Wartenburg, Colleen Boyle, Bonnie Schlechtweg and Debbie Disilva. FOURTH ROW — Cindy Sprenkle, Pat O'Grady, Chris Gubanich and Tony Lorusso.

HOMECOMING '75

Leslie Taglieber
Co-chairman

Homecoming 1975 began with a pep rally on Friday. Jeannie Matz was crowned queen and her court consisted of Tina Brignola, Marlene Walters, Irene Fuga, Cindy Natisky, Laurie McAvoy and Betty Scanlin. The Interact Cub had their annual bonfire after the pep rally. On Saturday, the queen and court were chauffeured onto Washington Field for the grid iron action between the Phantoms and the Whip-pets. At half time, Jeannie Matz presented Mr. Olkewicz, the guest of honor, with a token of appreciation. The weekend was wrapped-up with a dance Saturday night.

IT IS 1976, LETS CELEBRATE

America has just gone through 200 years as a free and independent country and that is something to celebrate. We've come a long way in the past 200 years and we will continue to progress because that's the will of the people. In America, it is the people that count. Today America is the closest the world has gotten to peace. America is the place where people from throughout the world can live and work together. Being an American is something a person should be proud of.

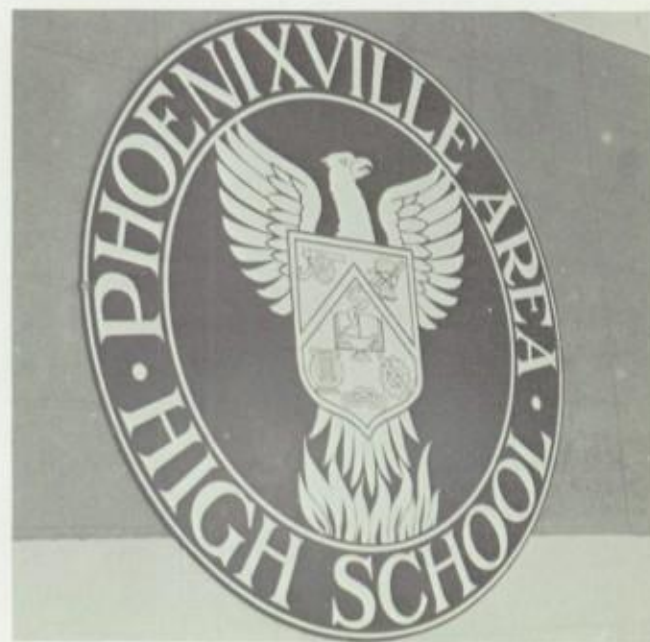

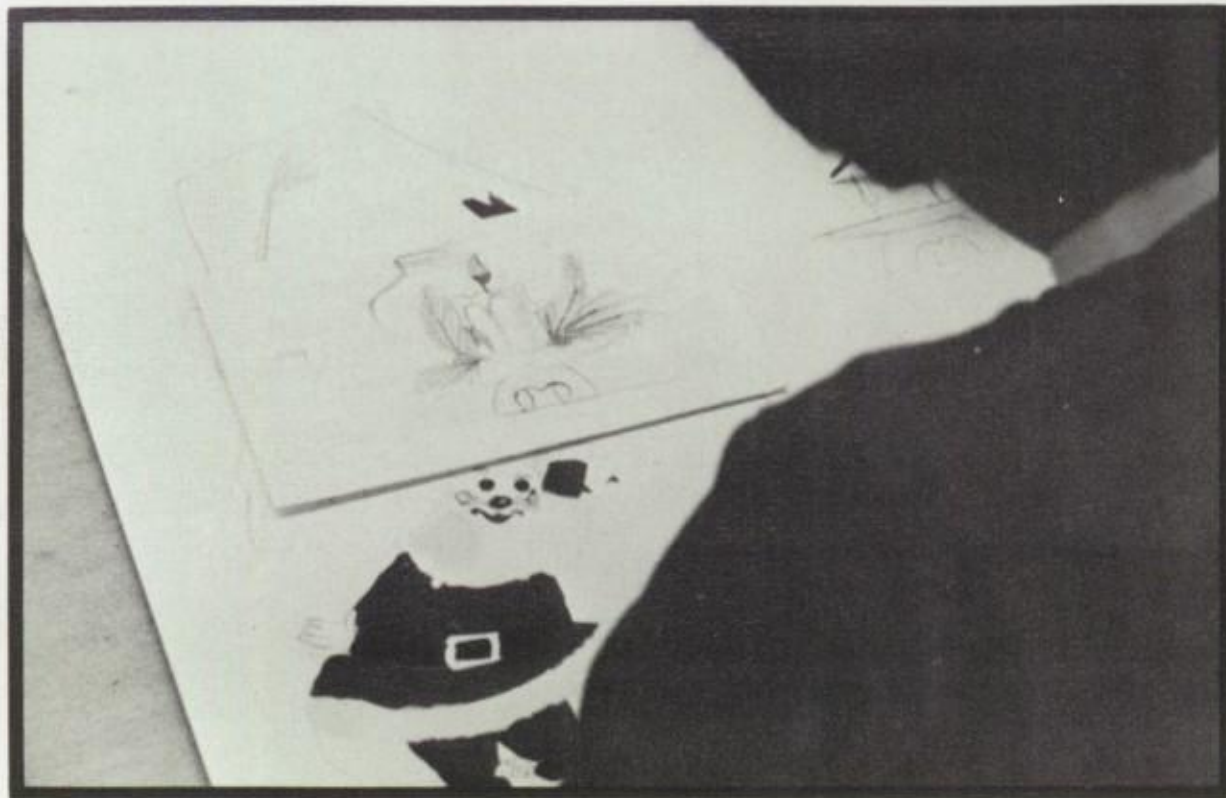

Hurray, it's 1976!

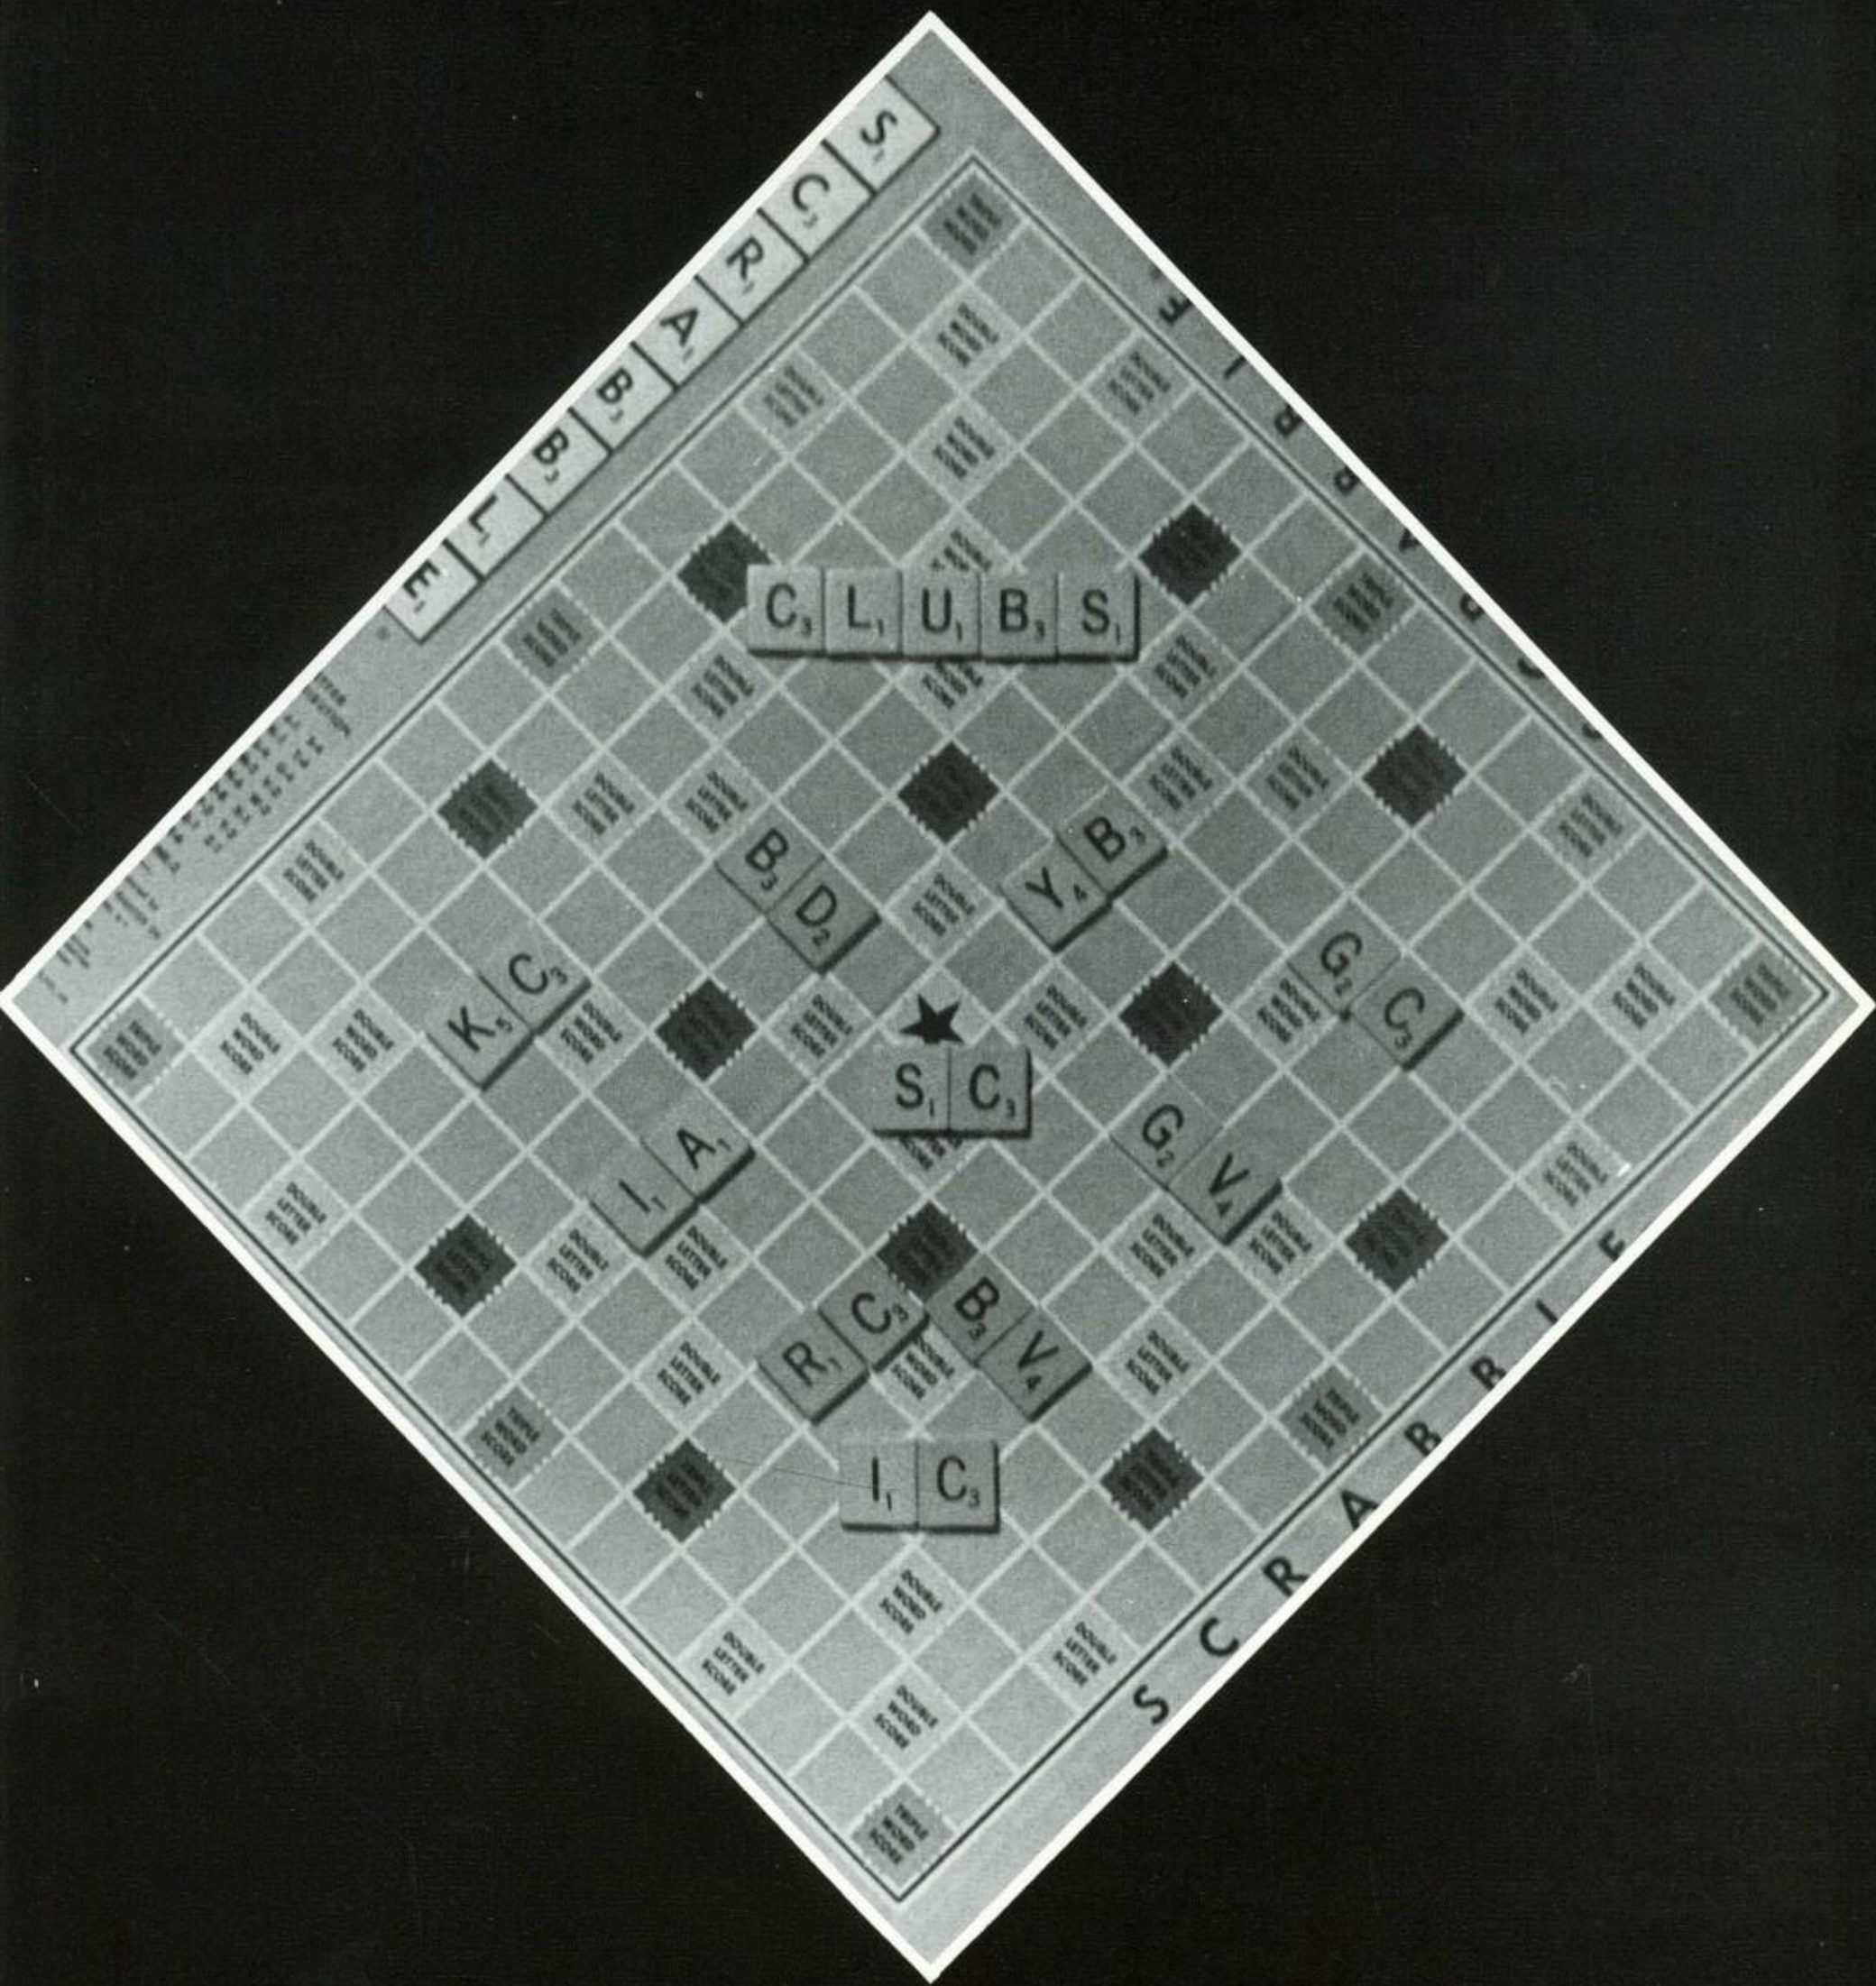

"The spark of liberty in the mind and spirit of man cannot be long extinguished; it will break into flames that will destroy every coercion which seems to limit it."

— Herbert Hoover

BOYS' VARSITY

varsity: (aphetic alteration of university)**the highest ranking team that represents a school in any activity.) At PAHS, certain participants in extracurricular boys' sports are chosen for membership in the boys' varsity club for excelling in their particular sport. Each member is awarded a varsity letter — the white 'P', to signify their club membership, and have as a record of their high school sportsmanship.

Advisor — Mr. Moore

Two members of Boys' Varsity get their heads together over a problem.

C.C.

You get a free set with every bucket of chicken.

It's 70 to 70 and Julian's losing his cool!

The Chess Club was originally formed last year as an intramural chess competition which, through the devotion of its members, became a permanent organization. After the initial competition, the club began competing with clubs from neighboring schools. Although it was a new club, it held its own in the competitions. After the initial rank-determining competitions this year, the Chess Club will again compete, and hopefully win, with other chess teams in this area.

Advisor — Mr. MacDonald

They finally got the big tournament set!

Nursing was the center of concentration for members of FNA before, but the club's objectives have expanded. FNA now includes programs to inform girls interested in pursuing health careers of the opportunities open to them in increasingly specialized fields such as therapy. Beside the club's annual fund-raising plans, trips to the Phoenixville Day Care Center and to the Kencrest Home are anticipated. Speakers from diverse health occupations will meet with FNA members. Of this year's 41 active members, the main goal of each girl is to decide upon and follow a health career she would enjoy.

CLUB OFFICERS — 1ST ROW: Linda Klenk, Secretary; Mrs. Smith, Advisor; Karen Kane, President; 2ND ROW: Lisa Detwiler, Treasurer; Sandy Sifford, Vice-President.

CLUB

The International Club was organized to promote the selection of interested students for the Exchange Program. It's activities include selling candy at basketball games and after school, sponsoring a Bicentennial T-Shirt Contest, and other money-raising activities. The funds raised by the club will be used to offset the costs of a proposed trip by the club.

LIBRARY CLUB

"I didn't know librarians had to do homework!"

The Library Club consists of students who have volunteered their time and service to help the school librarian, Mrs. Kaveney, as Library Aides. Their duties include such things as collecting library cards, checking out books, returning books to shelves, and returning library cards to students at the end of the period. Perhaps the best part of being a library aide is that one learns the workings of a library, and the organization and lay-out of this important research center. Even with today's computerized card file and check-out desks in huge libraries, there is still need for library aides and record keepers. Members of the library club are gaining experience that may help get them jobs when they enter the job market.

"No, I'm not a library aide!"

The Student Council of Phoenixville Area High School performs many activities throughout the school year. This year the Council has once again been active in the area of student smoking. By meeting with the school board, the Student Advisory Committee has been able to regain the priveledge of restricted student smoking. In other areas, the Council has planned many Bicentennial events for the year of 1976. There will also be another attempt at a Seminar Day Program, which allows students to take part in a number of activities. The Student Council also plans to participate in a couple meetings of representatives of all the schools in this surrounding area. ADVISOR — MR. YOKEMICK

Cross Country is not a sport which requires precise ball-handling, nor does it require gymnast-like agility. But rather, it is a sport in which each contestant must battle with himself until his mind and body become a running machine. He must force himself to disregard pain and exhaustion in order to achieve his only goal: To run three miles faster than any of his opponents.

Clubbed into submission.

With a majority of underclassmen (four juniors, three sophomores, and three freshmen), the Phantom golf club "putt" two wins, eight losses, and no ties on the record early this year. Team captain Tom Bracelin held the best average of 80, and made the All-Ches-Mont Coaches' Team. Laura Martin, the single girl golfer for the Phantoms, played outstandingly all year, and won second place in the Women's District tourney and fourth place in the state competition. Hopefully next year the underclassman team will have more experience and, with support from the fans, will play a winning season.

Gracefully, now.

CHES-MONT CHAMP

WRESTLERS

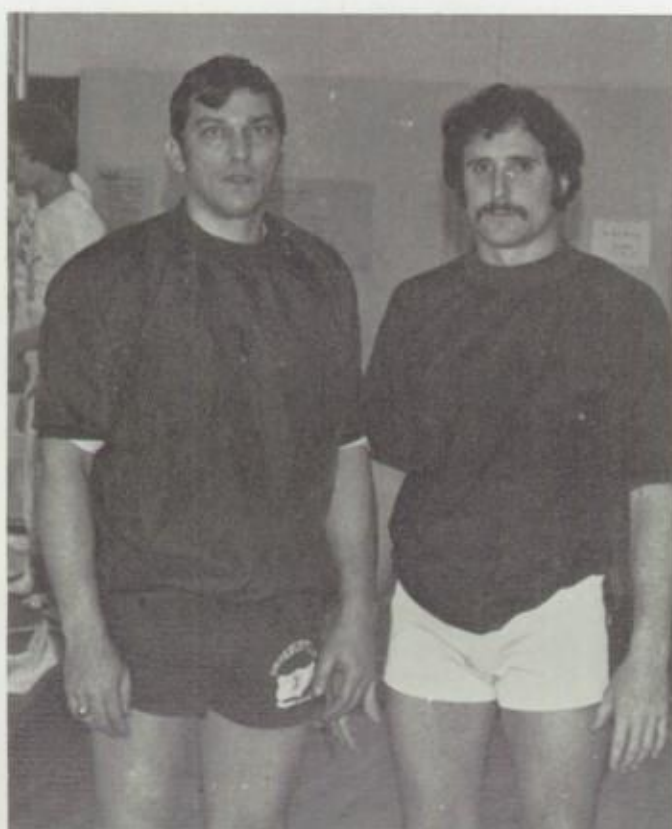

This year the Phantom wrestlers won the Ches-Mont League title for the first time in PAHS history, and managed to do so with a team made up of a majority of underclassmen. Only three seniors wrestled regularly. Even so, the wrestlers finished their season with an outstanding record — no losses, one non-league tie. In addition, four wrestlers placed in sectional and regional championships, and one senior, Jeff Below, went on to become state champion in his class.

Congratulations go to coaches Moore and Jackson for their **outstanding** job.

THE DANIEL GNIAS MEMORIAL FUND

The Daniel Gnias Memorial Fund now totals over \$10,000 in donations received. This fund is in memory of a talented, energetic student, who expressed himself by excelling in several sports. Dan Gnias was a caring young man with true leadership ability.

The Gnias fund will be the source of a scholarship for a student at PAHS who not only has shown ability and dedication to a sport, but also has leadership qualities and a real concern for others.

IN CLASS COUNCIL, JUNE 7, 1976

The unanimous Declaration of the two hundred,
seventy-two Graduating Seniors of the Phoenixville Area High School,

When in the course of Current Events it becomes necessary for one class to dissolve itself from all others, and to assume the freedom involved with the release from school, it is necessary to give the reasons for the break.

We hold these truths to be self-evident, that all Seniors are created equal, that they are endowed by their Educators with certain unalienable Rights, that among these are Strife, taking Liberties, and the pursuit of Scholarships. — That to secure these Rights, Graduations are instituted among Seniors, deriving their just powers from the Educators and Administrators governing the Seniors. — That whenever the Twelfth Year of Compulsory Education has come to an END, it is the Right of the Senior to Graduate from his High School. — And that after the Graduation, it is also his Right to be thrown directly into the Business Community, to be Drafted in case of War, or to defer both of these Rights by continuing on into the Realm of Higher Education. — And upon this Graduation, after two, four, or an indefinite number of successfully completed years of Study, then to be eternally launched into Wealth, the Middle Class, or abject Poverty, never to be heard from again. — Or to become part of the new Generations' Educators and Administrators, so that this cycle may be repeated once more.
